

## Idris Ali (House: Malancha)

Idris Ali's Father was a goldsmith. He lived in a small village, had no land property. He had to somehow maintain his family. In 1990, he died of illness at the age of 60. After the death of his father, his mother took him to his maternal grand-father's house and she married again but his step-father did not accept Idris Ali. As there was none to take care of the boy, the local Chairman of Union Council then referred Idris Ali to SOS Children's Village Rajshahi for integration. Idris Ali departed from SOS Facility on 04 August' 2009. Now he is 30 years old young man & working as a Fire Fighter in Bangladesh Fire Service & Civil Defense at Mirpur, Dhaka.

Idris Ali came to SOS family at the younger age. He was admitted into Mashjid Mission Academy in KG class in the year of 1994. He read up to class five at Mashjid Mission Academy but his result was not so good. He had been shifted from that school to River View High School in class six in the year 2000. Then he gave full concentration to his studies up to SSC level. Finally, Idris Ali passed his Secondary School Certificate (SSC) Examination and secured GPA- 3.81 from Commerce Group in the year 2005. He then got admitted into Rajshahi Govt. City College in HSC and completed the course in the year 2007. His secured GPA Grade 2.90 and made him unsuccessful for getting admission into Public University where he wanted to study. Finding no alternative way he got admitted into Hon's Courses in Rajshahi Govt. Collage under National University. His subject was Philosophy. He was not willing to continue the course. Finally, he got a job as a Fireman in the Fire Service and Civil Defense and now he is working there. It is Govt. job so he is full satisfied to get the job. Now he is married and proud father of a son.

He suggested towards SOS Children's Village Rajshahi for Senior and Junior - If you develop a fever or symptoms such as cough or shortness of breath, call your healthcare provider for medical advice and guidance before visiting their office. Use eye protection, such as face shield or goggles, unless you are wearing a full-face respirator. As he is a fire fighter, he is working in COVID-19 to create awareness among the people. He spread insecticide on road so that COVID – 19 cannot be spread man to man.
